TEAM TSHWANE

INTRODUCTION

TEAM WESTRAND

WHO WE ARE

GGT 2030 Team JHB is a volunteer - based, community-oriented organization committed to combating crime and ensuring the safety of our community.

We focus on collaboration, education, and awareness to maintain a secure environment for all residents and businesses.

TEAM VAAL

VISION STATEMENT

“We are dedicated to conserving the present and shaping the future through collaborative efforts, open communication, education, and awareness. Our core focus is creating networks and amalgamating security companies’ commitment to combating crime and ensuring the safety of our community”.

What This Means:

We work together with local businesses, law enforcement, and citizens to prevent crime.

Our goal is to build a united network of security companies, community members, and authorities.

Through education and communication, we shape a safer, more resilient future.

TEAM EASRAND

MISSION STATEMENT

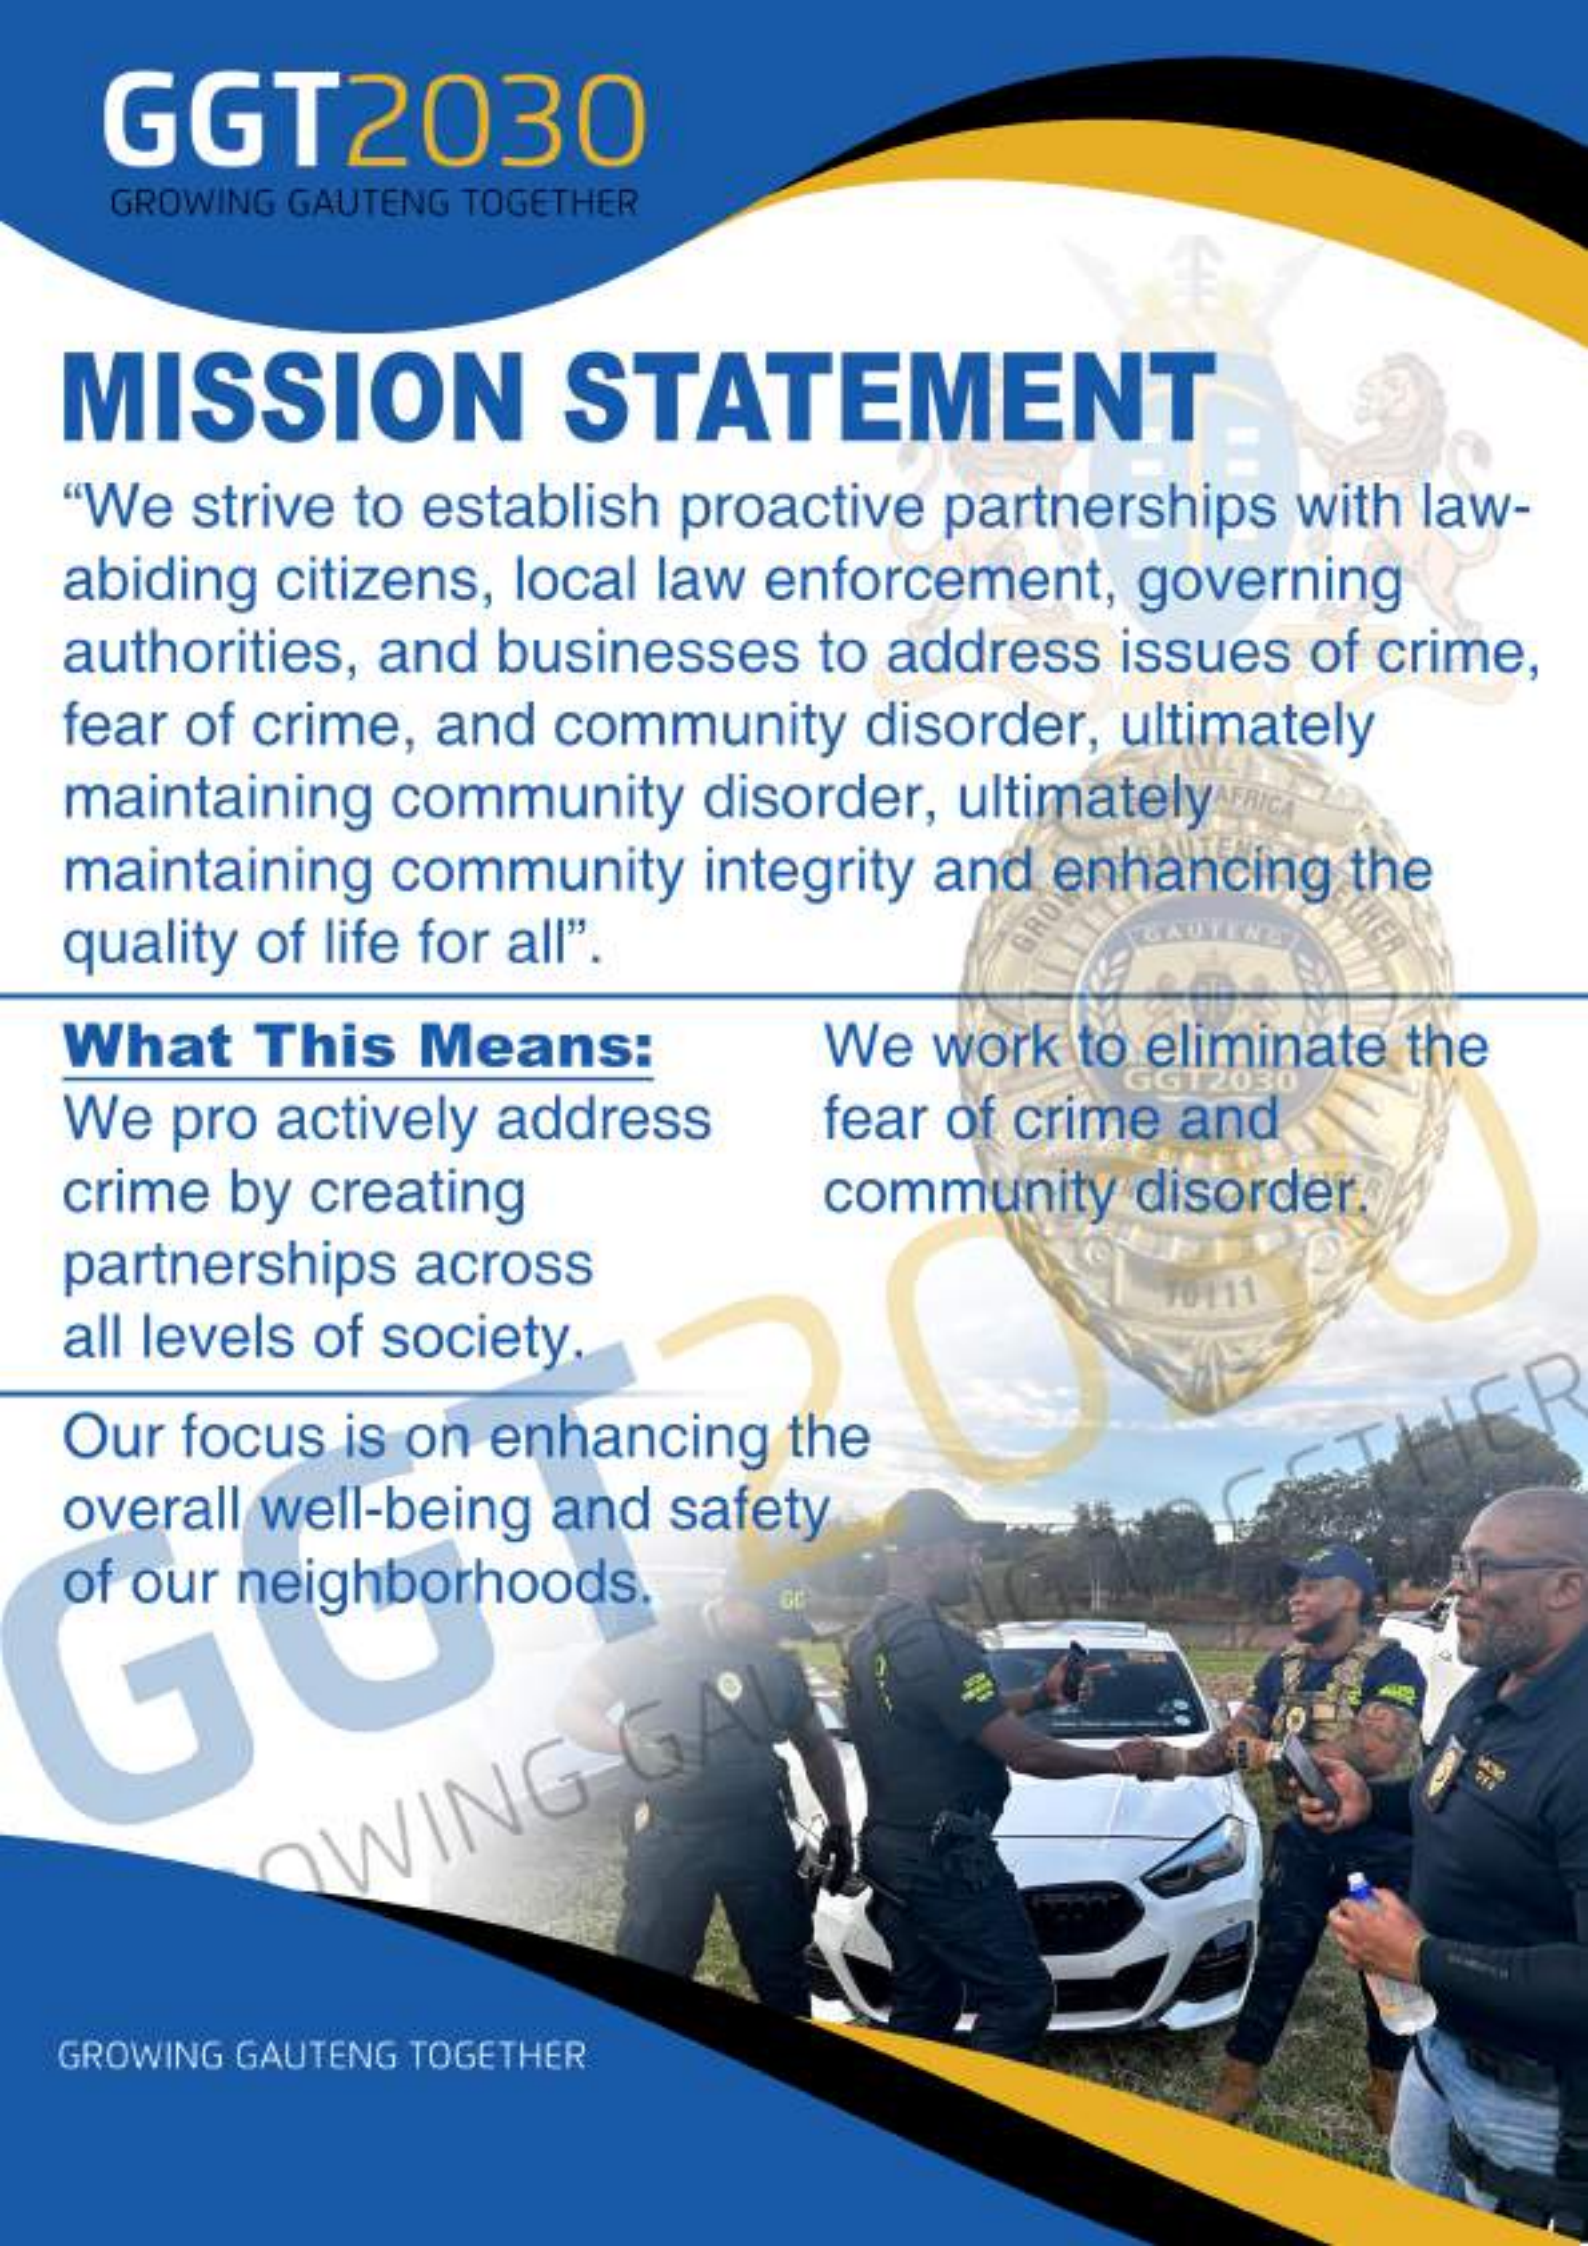

“We strive to establish proactive partnerships with law-abiding citizens, local law enforcement, governing authorities, and businesses to address issues of crime, fear of crime, and community disorder, ultimately maintaining community integrity and enhancing the quality of life for all”.

What This Means:

We pro actively address crime by creating partnerships across all levels of society.

Our focus is on enhancing the overall well-being and safety of our neighborhoods.

We work to eliminate the fear of crime and community disorder.

VALUE STATEMENT

As a volunteer-based, community-oriented organization, we:

Service as the extra eyes and ears of our community.

Leverage efficient networking to watch for crime trends.

Combat crime by utilizing our strengths in collaboration and visibility.

Key Principles

DIVERSITY: We celebrate the unique qualities within each community we serve.

PARTNERSHIP: We pledge to partner with law-abiding entities to uphold the law.

ACCOUNTABILITY: We hold ourselves accountability for both individual and team performance

INTEGRITY: Our guiding principle is to act with integrity in all situations

TRUST: We rely on the trust and confidence of the community to carry out our mission

OUR OPERATIONS: COMMAND CENTRE

In November 2024, we launched our **COMMAND CENTRE**, equipped with cutting edge technology to enhance our operations and improve safety in our community. The command centre plays a critical role in monitoring and responding to crime incidents in real-time.

LPR (License Plate Recognition) Cameras:

A network of high-tech cameras that monitor key areas in real-time, identifying and tracking vehicle movements to assist in crime detection and prevention.

Facial Recognition System:

A state-of-the-art facial recognition system that helps identify suspects and persons of interest, increasing the accuracy and speed of responses.

On-the-Ground Support:

Our officers are dispatched to areas based on real-time data from the Command Center, supported by Law Enforcement Officers, ensuring a swift and coordinated response to incidents.

Efficiency in Action:

The Command Center enhances our ability to respond quickly and effectively to crime incidents and emerging threats, providing us with the tools needed to maintain safety and security in our community.

OUR VALUES IN ACTION

HONOR: We conduct work with respect for all Community members.

STRENGTH: We draw on the collective strength of our team partners.

RESPECT: We value and uphold the dignity of all individuals in our community.

We maintain a positive attitude, always focusing on our accomplishments and solutions rather than obstacles.

Thank You
